Vol. LIX 1965

THE BRITISH JOURNAL OF

DISEASES OF THE CHEST

Editors

J. R. BELCHER and L. H. CAPEL

Published by
BAILLIÈRE, TINDALL & CASSELL
7 & 8, HENRIETTA STREET, LONDON, W.C.2

CONTENTS

General Articles: *page*

Cystic Fibrosis: a Review - - - - - - - - - - - - - 1
by John Batten

Respiratory Function of Recruits to the Royal Air Force in Health and during Acute Respiratory Diseases - - - - - - - - - - 10
by M. C. S. Kennedy, D. L. Miller, and A. J. Pearson

The Management of Flail Chest - - - - - - - - - - - 15
by W. G. Williams and G. L. Zeitlin

Cold Air and Ventilatory Function - - - - - - - - - - 23
by J. S. Millar, Jean R. Nairn, R. D. Unkles, and R. S. McNeill

Cervical Vagotomy for Pulmonary Osteoarthropathy - - - - - - 28
by Magdy H. Yacoub

Short-term Clinical Experiences of the Use of Micoren in Respiratory Depression - - - - - - - - - - - - - - - - 32
by L. J. Grant and B. Phillips

Leukæmic Infiltrations of the Lungs - - - - - - - - - - 37
by R. H. Ellis

The Lateral Chest Radiograph and the Forced Expiratory Volume - - 39
by Trevor Phillips

The Bacteriology and Chemotherapy of Chronic Bronchitis - - - - - 57
by J. Robert May

Respiratory Illness in Factory and Office Workers - - - - - - - 66
by J. H. Angel, C. M. Fletcher, I. D. Hill, and C. M. Tinker

Chloramphenicol Analogues in the Intrabronchial Treatment of Severe Chronic Chest Infections - - - - - - - - - - - - 81
by A. Pines, R. S. Bundi, J. S. B. Greenfield, and K. Plucinski

Upper Lobe Fibrosis associated with Ankylosing Spondylitis - - - - - 90
by Alastair H. Campbell and Colin B. MacDonald

Unilateral Pulmonary Artery Hypoplasia associated with Congenital Cardiac Anomalies - - - - - - - - - - - - - - - - 102
by M. H. Yacoub, J. R. Belcher, and J. N. Pattinson

The Diurnal Variations in Arterial pCO_2 in Chronic Airways Obstruction - 113
by G. Anderson and L. H. Capel

Cancer of the Lungs and other Diseases after Exposure to Asbestos Dust - - 121
by K. F. W. Hinson

Pleural Calcification and Mesothelioma following Exposure to Asbestos - 130
by S. J. Steel and J. Boyd

The Diagnosis of Lung Cancer in Coal-miners - - - - - - - - 133
by J. K. Scott

The Diagnosis of Lung Cancer in Coal-miners with Pneumoconiosis - - - 141
by K. P. Goldman

Pulmonary Aspergillosis in Argyll - - - - - - - - - - 148
by Peter Macpherson

page

Sudden Death in Asthma - - - - - - - - - - - - - 158
by Peter F. Roe

Peripheral Tuberculous Lymphadenitis - - - - - - - - - 164
by Hugh S. Fraser

A Case of Mucoviscidosis in an Adult - - - - - - - - - - 173
by E. G. Anderson, G. Laszlo, and H. Morrow Brown

Treatment of Exacerbations of Bronchitis with High Dosage Penicillin and with Penicillin plus Streptomycin - - - - - - - - - - 177
by D. O. Lewis and Arnold Pines

Diffusion and Impaired Gas Exchange - - - - - - - - - - 185
by J. B. West

Chronic Diffuse Idiopathic Fibrosing Alveolitis - - - - - - - - 194
by J. M. Reid, J. Cuthbert, and J. E. Craik

Rheumatoid Interstitial Lung Disease - - - - - - - - - - 202
by B. H. R. Stack and I. W. B. Grant

A Survey of Mycobacteria isolated at a South London Chest Hospital - - 212
by Gordon R. Mead

Anti-Asthmatic Properties of Anti-Snake-Venom Serum - - - - - - 216
by Inder Singh, R. B. Nanda, and R. S. Hoon

Hepatic Hydrothorax - - - - - - - - - - - - - - 222
by N. Islam, S. Ali, and H. Kabir

Ethionamide 1,000 mG. and Isoniazid 400 mG. in previously untreated Cases of Pulmonary Tuberculosis - - - - - - - - - - - - - 228
by A. W. Lees

Rare and Interesting Cases:

Two Cases of Injury to the Heart and Great Vessels - - - - - - 41
by Cyril S. Nelson

Acanthosis Nigricans and Bronchial Carcinoma - - - - - - - - 47
by H. Fox and Alexander D. G. Gunn

Reviews of Books - - - - - - - - - - - - 51, 116, 183, 233

Books Received - - - - - - - - - - - - 56, 120, 184, 239

Index - - - - - - - - - - - - - - - - - - 240

Brit. J. Dis. Chest (1965) **59**, 240.

INDEX OF AUTHORS TO VOL. LIX

Ali, S., Hepatic Hydrothorax, 222
Anderson, E. G., A Case of Mucoviscidosis in an Adult, 173
Anderson, G., The Diurnal Variations in Arterial pCO_2 in Chronic Airways Obstruction, 113
Angel, J. H., Respiratory Illness in Factory and Office Workers, 66
Batten, John, Cystic Fibrosis: A Review, 1
Belcher, J. R., Unilateral Pulmonary Artery Hypoplasia associated with Congenital Cardiac Anomalies, 102
Boyd, J., Pleural Calcification and Mesothelioma following Exposure to Asbestos, 130
Brown, H. Morrow, A Case of Mucoviscidosis in an Adult, 173
Bundi, R. S., Chloramphenicol Analogues in the Intrabronchial Treatment of Severe Chronic Chest Infections, 81
Campbell, Alastair H., Upper Lobe Fibrosis associated with Ankylosing Spondylitis, 90
Capel, L. H., The Diurnal Variations in Arterial pCO_2 in Chronic Airways Obstruction, 113
Craik, J. E., Chronic Diffuse Idiopathic Fibrosing Alveolitis, 194
Cuthbert, J., Chronic Diffuse Idiopathic Fibrosing Alveolitis, 194
Ellis, R. H., Leukæmic Infiltrations of the Lungs, 37
Fletcher, C. M., Respiratory Illness in Factory and Office Workers, 66
Fox, H., Acanthosis Nigricans and Bronchial Carcinoma, 47
Fraser, Hugh S., Peripheral Tuberculous Lymphadenitis, 164
Goldman, K. P., The Diagnosis of Lung Cancer in Coal-miners with Pneumoconiosis, 141
Grant, I. W. B., Rheumatoid Interstitial Lung Disease, 202
Grant, L. J., Short-term Clinical Experiences of the Use of Micoren in Respiratory Depression, 32
Greenfield, J. S. B., Chloramphenicol Analogues in the Intrabronchial Treatment of Severe Chronic Chest Infections, 81
Gunn, Alexander D. G., Acanthosis Nigricans and Bronchial Carcinoma, 47
Hill, I. D., Respiratory Illness in Factory and Office Workers, 66
Hinson, K. F. W., Cancer of the Lungs and other Diseases after Exposure to Asbestos Dust, 121
Hoon, R. S., Anti-Asthmatic Properties of Anti-Snake-Venom Serum, 216
Islam, N., Hepatic Hydrothorax, 222
Kabir, H., Hepatic Hydrothorax, 222
Kennedy, M. C. S., Respiratory Function of Recruits to the Royal Air Force in Health and during Acute Respiratory Diseases, 10
Laszlo, G., A Case of Mucoviscidosis in an Adult, 173
Lees, A. W., Ethionamide 1,000 mG. and Isoniazid 400 mG. in previously untreated Cases of Pulmonary Tuberculosis, 228
